Donations can be made by sending a partnership check to The New Mexico Dental Foundation, PO Box 16854, Albuquerque, NM 87191, and indicating that it is to be used for the DDS program. TOGETHER we will continue to change lives, one smile at a time!

PREPARING FOR TOMORROW...

One Hundred Ten Dentists and Students Attend 10th Annual NMDF Pre-Dental Mentor Dinner

The Presidents from three Pre-Dent Societies across the State of New Mexico spoke to those attending the NMDF Pre-Dental Mentor Dinner on November 7th, sharing the past year's events of their organizations at Eastern New Mexico University, New Mexico State University and the University of New Mexico. "I was excited and honored to be allowed to speak in front of the individuals attending the event. Events like the NMDF Pre-Dent Dinner help us work together and achieve our common goals," said Tyler Scarafiotti, the NMSU Pre-Dent Society President. "This dinner is one of those experiences that we will never forget. I had the pleasure of getting to sit and talk with people from the many different areas that dentistry offers. Getting to know these people and what they have achieved in their careers was amazing to me." The Foundation each year hosts the Pre-Dental Mentor Dinner in an attempt to encourage New Mexico's Pre-Dent students to pursue the field of dentistry and then choose to return to New Mexico to practice. The next NMDF Pre-Dental Mentor Dinner will be held September 26th in Albuquerque.

Students from New Mexico State University traveled to Albuquerque to attend the Pre-Dental Dinner in November
